

# Creating your CV & Portfolio

## For the Apple Developer Academy Cohort 2025

→ You are highly encouraged to read this information carefully as a guide for completing the Academy 2025 application.

# CV

a CV (Curriculum Vitae) is a document that provides an overview of a person's experience and qualifications. You may consider to include, but not limited to:

- Work experience
- Educational credentials
- Extra curricular experience
- Publications
- Skills
- Awards

Please submit a CV that is no more than 2 pages in PDF format, and name the file as **FullName\_CV\_Academy2025**.

You can be as creative as you want as long as it tells your story.

**OBJECTIVE**  
To get started, click placeholder text and start typing. Be brief: one or two sentences.  
Double-click the table cells in the footer to add your contact info (or delete the columns you don't want).

**EXPERIENCE**  
**JOB TITLE • COMPANY • DATES FROM - TO**  
Summarize your key responsibilities, leadership, and most stellar accomplishments. Don't list everything; keep it relevant and include data that shows the impact you made.  
**JOB TITLE • COMPANY • DATES FROM - TO**  
Think about the size of the team you led, the number of projects you balanced, or the number of articles you wrote.

**SKILLS**  
Explain what you're especially good at. What sets you apart? Use your own language—not jargon.

**EDUCATION**  
**DEGREE • DATE EARNED • SCHOOL**  
You might want to include your GPA and a summary of relevant coursework, awards, and honors.

# Portfolio

A Portfolio is a showcase of your selected best work/projects as evidence of your passion and/or interest. You may submit a maximum of 5 projects, which may include, but not limited to digital products, art works, projects, entrepreneurial endeavours, case studies, or ideas/solutions that you have worked on.

Your projects should be organised in a neat, well-organised manner. Please provide the following in English.

- A one- or two-sentence summary describing each project.
- Whether the project was self-initiated or was a class / work assignment.
- If it's not an individual project, clearly state that this is a GROUP PROJECT, and your role in it.
- Tell us briefly about the impact you've made on the project.
- What did you learn from working on this project?
- Any images or links to tell your full story.

Your submission should be in PDF format, and please name your file as **FullName\_Portfolio\_Academy2025**. You can be as creative as you want as long as it tells your story.

# Portfolio (2)

Other tips to consider:

- Your portfolio is recommended to be in line with your actual or future desired area of expertise or the one you choose. Consider including the following if you're applying to these tracks:
  - **Tech:** Technologies used, link to the public repository, app marketplace and / or project documentation, etc.
  - **Design:** Hand drawings, motion graphics, UI/UX design, 3D design, experiential design, non-digital disciplines, etc.
  - **Domain:** Case studies or projects that showcase your industry expertise (ie. business plan if you are an entrepreneur), as well as how you see technology can be integrated into your field.
- Ability / potential to be multi-disciplinary candidate is highly desirable.
- Your portfolio will be evaluated on the following criteria:
  - Interest and motivation towards an intense 10-month program.
  - Expression of creativity—ability to articulate ideas in both writing and the project's medium of expression.
  - Potential to be a well-rounded developer—ability/potential to cross discipline.
  - Work ethics and personal standard of excellence — quality of both the deliverable and storytelling.
